Bunny Hop 5K Walk
Ocular Melanoma Foundation
Fundraising Event 2019
Rock Hill, SC

Donations support Ocular Melanoma Foundation (OMF) www.ocularmelanoma.org

OMF's goal is to help as many OM, qualifying, patients as possible. Your donation will provide HOPE to those in need of Travel Assistance and/or a Prosthetic and sometimes both.

Ocular Melanoma (OM) is a rare and lethal cancer originating in the eye. OM often spreads to other parts of the body (metastasis) with the liver being most common. Initial treatment is to remove eye having the malignant tumor. OM differs from other types of melanoma as it spreads through the blood stream verses lymph nodes. OM is most often fatal in approximately 60%, of all cases.
To date there is no cure.
